

March-April 2007

A Busy Month...

We have been in 14 churches since our last letter and we have been very busy with the exception of about a two week stretch at home. It was our longest stretch at home since we hit the road back in September of last year.

Part of our reason for scheduling some "home time" was so we could attend the Mission Conference here at Franklin Road Baptist Church in Murfreesboro. Their Faith Promise came in this year at over \$370,000.00. Dr. Norris and the church here are also moving forward with their Bible printing operation. The new building is up and the press is running.

Next year's Team Meeting will be held in conjunction with Franklin Road's Mission Conference. Dr. Greg Baker will speak in the evening services and FBI Team Meeting sessions will be held during the day. Please mark these important dates on your calendar —

March 9-12, 2008.

A New Opportunity...

I recently had the privilege of being in Grace Baptist Church in Newport, NC which is the home of the Fundamental Broadcasting Network. Pastor Eborn offered us the opportunity to do a regularly scheduled radio program giving an update on FirstBible International and the progress of missions in the 10/40 Window. This program would be heard across much of the United States and in several foreign countries as well. This is a wonderful opportunity and one that will require much time and research in order to have a quality program. Please pray for the leadership of the Lord and that God will provide the needed equipment and software for recording the programs.

On April 1, I had the privilege of preaching at my sending church, Westside Baptist in Mansfield. It was a joy to see Pastor Smith and all our friends there.

Your prayers for us and for the ministry of FirstBible are deeply appreciated. We recognize their value and want to express our gratitude for them.

Emily Update...

On the second day of our "home time," Emily came down with chicken pox and Linda broke her toe. The Lord was good to leave this time in our schedule for a few days of recuperation. Everyone is fine now. Emily is full of songs and can quote two Bible verses.

Praise the Lord for...

- ***2 young men who surrendered to missions in a recent meeting.***
- ***New supporting Churches which brings our support total to 54% !!***
