

### **The Main Event**

Plans are already being made for our First Annual National Conference on Reaching the Unreached. The dates are **March 9-12, 2008**. There will be 9 sessions to inform and inspire concerning the 6000+ unreached people groups that remain without the gospel, a Bible or a church.

Missions is near and dear to the heart of God. His plan is to gather some from every tribe, kindred, tongue and nation (Revelation. 5:9). The Church must develop a ministry that includes reaching into the uttermost. This conference may well be the most important meeting you could attend next year.

### **Great Thoughts**

Adoniram Judson considered Bible Translation work the key to the conversion of a nation. He revealed this priority when he stated, *"All missionary operations, to be permanently successful, must be based on the written word."* Judson became a symbol of the preeminence of Bible translation taking two decades to complete the Burmese Bible. On January 3, 1834, he wrote in his journal, *"Thanks be to God...I have knelt down before him, with the last leaf in my hand and I have dedicated it to His glory. May He make his own inspired word, now complete in the Burman tongue, the grand instrument of filling all Burma with songs of praise to our Great God and Saviour Jesus Christ."*

### **Fielder Family News**

In July and August we traveled many miles and visited 14 churches. In recent days, along with a couple of individual supporters, the Lord has added the following churches as new partners in our ministry bringing our support level to 56%.

**Victory BC - Talbot, TN**

*Pastor David Sumner*

**Savannah Bay BC - Ooltewah, TN**

*Pastor Gene Hooker*

**Grace BC, Delaware, OH**

*Pastor Corey Bane*

**Calvary BC - Jennings, LA**

*Pastor Buddy Howard*

We are grateful for the privilege of serving on the missions team of these good churches.

### **Emily Update...**

Emily is approaching 2 1/2 years old. Time flies when you are having fun. She is talking in complete sentences, sings *The B-I-B-L-E* with Daddy in church and amazes us every day with her imagination. Her most often repeated question is, *"Dad, what'cha doing?"*
