

October-November 2007

Ministry News

Our schedule has been full. Since August 5th we have been privileged to represent FirstBible in about 32 churches from Florida to New York to Kansas and many points between.

While holding meetings in Florida, I was able to visit Ft Pierce, the city where I lived from 6th grade until I went to Bible college. After a 24 year absence, it was a blessing to renew old acquaintances and travel down memory lane seeing all the familiar sites of the old home place.

I was also able to fly to San Andros, Bahamas, with Pastor Greg Booher of Faith Baptist Church and Bro. Richard Snook, President of Missionary Flights International. Pastor Booher is assisting a Bahamian pastor with a new building. It was a joy to see what God is doing in San Andros and to experience another culture.

Great Thoughts

Someone once said, *"If we lose our passion, we will lose our mission."* I have never been more passionate about anything in my life than I am about trying to influence pastors and churches to reach the uttermost with the gospel. I believe we are dealing with issues closest to the heart of God as He seeks to draw out a people for Himself. Please pray that God will keep us passionate about Him and be glorified through our lives and ministry.

Fielder Family News

We have had our share of sickness lately. Mine lasted just a couple of days, but Linda was sick for more than a week. Emily seems to have escaped it except for a runny nose and cough.

We are very grateful to add some new partners to our growing list of supporters:

The Unruh Family
Hartly, DE

Ripley Baptist Temple
Ripley, WV
Pastor Rick Perrine

First Baptist Church. South Brevard
Melbourne, FL
Pastor Marc Rhodes

Emily Update...

We have spent a lot of time on the road in the last year and gone through a lot of fast food drive-thru's. This fact was made clear recently while pulling away from a drive-thru pharmacy, we heard these words from the back seat, *"Dear Jesus, thank you for my food. Amen. I want chicken nuggets."*

Please mark these dates:

March 9-12, 2008

First Annual Conference
on
Reaching the Unreached

Please consider this a personal invitation to attend this vital meeting for the cause of world evangelism.

Pastors, staff, deacons & laymen are all invited.
