MALI PROJECT

Our Bible Storying Project is moving forward. Phase I of the Senofou Language Project is completed and ready for checking and duplication. This is being funded by one of our supporting churches in Louisiana. We are deeply grateful.

We originally targeted 6 languages at a cost of \$15,000 each. We have expanded that to 23 languages.

INDIA PROJECT

The **Annual India Pastor's Conference** is scheduled for **February 1-3, 2011**. This is a wonderful opportunity to influence these pastors to reach the world from India.

If you are a pastor, we would love for you to experience what we have experienced in India and we would welcome your participation in our preaching and teaching schedule.

The cost will be approximately \$1800 per person. We will be purchasing tickets early-to-mid December. If you are interested, please contact me **as soon as possible**.

Curriculum is now being planned for the first full year of teaching at our Translators Training Institute at South India Baptist Bible College. Our linguistics teacher, Michele Bass, is helping develop this part of our ministry. We are grateful to God for her burden to train Bible translators.

Please pray that God will provide another qualified teacher to help us complete this program for the 2011-2012 school year.

CLOSED COUNTRY PROJECT

I was supposed to be on a plane today returning from a trip to Turkey, Georgia and Iraq. The trip had to be rescheduled. We are looking at possibly early December.

This trip is vital to the further development of our network for getting Bibles into closed countries. This is a great burden on my heart as I feel we must respond to the hunger of those who are trapped behind the "Crescent Curtain" of Islam by regimes hostile to the gospel of Christ.

MATCHING FUNDS PROJECT

A \$75,000 matching funds gift has been offered to FirstBible for Scripture Projects. Every dollar you give will become two. Please consider taking a special offering for this and mark your gifts "Matching Funds Offering." These funds will be used for Scriptures to impact the Muslim world.

FAMILY NEWS

EMILY NEWS

We have consistently told Emily that it was always God's plan for her to be part of our family, for her to be a Fielder. She was praying recently and said, "Lord, Daddy's a Fielder, Mommy's a Fielder, I'm a Fielder and all my toys are Fielders. Daddy's a missionary, Mommy's a missionary, I'm a missionary and all my toys are missionaries."

PRAYER REQUESTS

1. For the sale of our house in Tennessee.
2. For Emily's salvation. We believe she is very close to asking Christ to be her Saviour. We need wisdom to encourage her toward the Lord without marking a day and a decision where there is not clear understanding of truth.
