

# FIELDER'S FRONTLINES

June 14, 2014

## 3RD ANNUAL TEAM MEETING

More than 40 WorldView team members, Bible translators, missionaries and pastors gathered recently for a wonderful two-day meeting in Nashville, Indiana. The Lord blessed us with His presence as we were challenged, convicted, inspired and instructed in the areas of prayer and Bible translation.

We are grateful to Dr. Hantz Bernard who served as keynote speaker. His years of experience in Bible translation and the wisdom the Lord has given him was a great source of inspiration to all of us.

## UGANDA – RUNYANKORE PROJECT

The goal for finishing the NT is December 2014. We will prepare to print in early 2015. Please pray about helping with the \$40,000 needed for printing.

## UGANDA – MA'ADI PROJECT

Our team of translators-in-training have completed 3 module classes learning the Greek language. There are 3 more Greek modules planned for them. In addition, we will add a module on Bible Translation Principles later this year. Please pray for our Associate, Sam Moss, and the teaching team.

## NEPAL – TIBETAN PROJECT

We just received the rough draft of our Tibetan Project DVD production. After some minor editing, we will post it on our website on the media page. Please pray about supporting this translation project at \$50 or \$100 per month. A few commitments at these levels would help us fund this project.

## INDIA – LIANGMAI PROJECT

Michele Bass, who has served on our staff for the last four years, was recently married to Wangraibou Ngonamai. We are happy for them and for God's direction in their lives.

After a short time in the States, their return to India will mark a change. They will become WorldView Associates with the goal of translating the Scriptures for Wangraibou's native language, the Liangmai language of Manipur, India. They will be assisted by three WorldView Institute graduates who are also native Liangmai speakers. Please pray for the launching of this project sometime in 2015.

## CHINA – SARIKOLI TAJIK PROJECT

We are happy to announce that our Associates, Tim & Cara Cleghorn, just had their first child. Levi Wesley Cleghorn was born at 1:36 a.m. on Friday, June 14th. We rejoice for them!

The Cleghorns remain on deputation to go and reach a people group of over 40,000 in population that is 100% Muslim with NO KNOWN BELIEVERS and no written language. Please pray about supporting this project at \$50 or \$100 per month.

## FIELDER FAMILY NEWS

We had a busy spring with several meetings. We are grateful for a full schedule and for opportunities to share what God is doing through WorldView.

Emily's 9th birthday (May 14th) took place while we were in Kansas. We had chosen to postpone the birthday celebration until after we returned home to Indiana, so we did not take any birthday presents with us on the trip.

On her birthday, our host church put us in a wonderful bed & breakfast several miles out in the country where the buffalo roam and the deer and the antelope play (literally!).

While Emily was playing outside, she found a lizard. She tried to catch it, but could not. So she finally just laid her hand on the gravel driveway near the lizard and, lo and behold, it crawled up on her hand. It remained there for several minutes without moving. She was so excited and came running to us exclaiming, "Look Daddy and Mommy, God gave me a birthday present." We are so blessed that Emily sees everything as a gift from God.

Thank you for your partnership in prayer & finances. Exalting the Lord,

Fielder Family (Ken, Linda & Emily)
