

RUNYANKORE NT **Dedication on April 13th!**

We are excited to celebrate WorldView's first completed NT translation! We are planning a big day for the expected crowd of 500 at the dedication service in Mbarara, Uganda. The NT's are being shipped and we are awaiting news of their arrival. There will be 15 of us on this trip including all of our full-time WorldView staff. Please pray for safety for the team as we travel and for the coordination of planned events. We are renting tents and PA equipment and will serve a meal to all who attend. Our videographer will be with us to document the day and we will be glad to share the joy with you at a later date.

INDIA PASTORS CONFERENCE

Our 11th Annual Pastors Conference is next week in Coimbatore, India. We are thankful for the five men who will be on this trip including two first-time team members: Pastor Mark Falls from Heath, Ohio, and Pastor Dan Berdine from Greenville, Ohio.

PROJECT UPDATES

WORLDVIEW INSTITUTE (*Coimbatore, India*) Eight of our fourteen students are finishing their second year and will graduate on March 10th. We are looking forward to seeing them next week. Please pray for two of these graduates who are from Myanmar and have a desire to translate the Scripture in their own heart language. And please pray for one of last year's graduates who has a desire to join one of our current translation teams.

LIANGMAI (*Manipur, India*) Please pray for the entire ministry in Manipur. In addition to the Scripture translation, God is really blessing their ministry in the village schools. They are now dealing with harassment from corrupt local government officials. Please pray for God to protect their work.

TIBETAN (*Nepal*) We are nearing the completion of the NT rough draft translation.

MADI (*Uganda*) Sam Moss will arrive in Adjumani tomorrow. Please pray for a profitable trip as they will be going through some checking processes and pray for the encouragement of our Madi team.

PAMIRI (*Central Asia*) The Cleghorns will be moving to a town near the border of another closed country. Please pray for their transition and security.

ASANG KHONGSO (*Myanmar*) We are nearing completion of the NT rough draft translation.

PERSIA (*Middle East*) We will be in Loveland, CO, in March at the home church of our new associates, Nathan & Alicia Longhofer. We will officially launch this new project from there. Then we will travel back to Ohio to launch from Loudonville Baptist Temple, the church whose prayers for the last seven years has given birth to this project.

FAMILY NEWS

January is normally a slower month, but not this year. Speaking for Dr. Bill Patterson at the Mt. Abarim Field Conference in Ft. Worth, TX, was followed by three weeks in nine different churches across TX, LA and MS.

As for my foreign travel, it is India next week, Uganda in April, and Armenia in May. Linda and Emily are going to Uganda with me. Between those trips, there is only one week not yet booked during this spring.

Please pray for ongoing issues with Emily's throat infection.

Last fall we visited the headquarters of *Faith Comes By Hearing* in Albuquerque, NM, a ministry that produces the Scripture in audio form in hundreds of languages. They also have a dramatized KJV. Most of the voices are their own employees, including the founder of the ministry whose radio-quality voice provides the voice of God. Recently, while traveling and listening to the Psalms in this dramatized version, we recognized his voice and Emily exclaimed loudly, "**Hey, I know God!**"

Thank you for your continued prayers and support! We are so grateful to you and grateful to the Lord for the ministry He has given us. God bless you!
