WorldView Team Meeting Next Week!

We are excited to host our 11th Annual Team Meeting on June 8-10. There are 74 delegates registered!

Our meetings have always had a mix of spiritual challenge and technical training. This year the emphasis is entirely on sharing the burden and great need for Bible translation around the world. We have students coming from 5 different Bible colleges and our prayer is that God will call new laborers into the work.

Philip Hopkins, a Baptist pastor and a senior staff member of Trinitarian Bible Society in London, England will be with us. Returning guests Glenn Kerr and Bill Patterson will also be challenging us. Several of our WorldView staff will share a testimony on the theme, "Why I am giving my life to Bible translation."

Would you please pray for God to call new laborers?

WorldView Institute (India)

The **Overtons** are home for a few days taking their youngest daughter to Bible college. They will return to India as empty-nesters in mid-June to begin the 2022-23 school year. Please pray for them and for the students who will all be new to our program this year.

Tibetan Project (Nepal)

Lloyd recently enjoyed a two-week visit from his dad. His semester break is coming to an end and intensive studies in Tibetan are about to begin. Please pray for the ongoing work on the Tibetan translation.

Asang Khongso Project (Myanmar)

The back-translation has been reviewed and resubmitted. We are coming to the latter stages of the work and closer to printing this New Testament.

Though it is no longer in the news, the chaos and military oppression continues. Please do not forget about **Rama's family**. Please keep them in your prayers.

Lhukonzo Project (Uganda)

Our Associate, **Matt Stensaas**, is home for a short furlough and will be able to attend part of our Team Meeting. I am excited to introduce him to the team and hear an update on the project directly from him.

Madi Project (Uganda)

Associates **Anders Swanson** and **Sam Moss** will be heading to Uganda in July for a two-week visit. They will work with our team for a few days, then conduct a Bible conference on the topic of Spiritual Warfare. Please pray for their safety and for the Lord's help, especially during the conference.

Persia Project (Armenia)

Deputation is finished and **Nathan & Alicia** and their two little ones will depart on June 22nd for Armenia! This is the result of 10 years of prayer. We are so excited to watch as God continues to unfold His plan for this translation project.

Due to the Ukraine crisis and many refugees moving to the region, housing options are limited and expensive. Please pray they will find what they need.

Liangmai Project (India)

Michele N arrives back in the states today for a very short visit and will attend our Team Meeting. It will be a blessing to get a first-hand update on this project.

Wangrai was not able to come due to visa issues. Please pray for this project in a climate of continually increasing oppression against churches and ministries.
