WorldView TEAM MEETING 2026

We have a great line-up of speakers for our bi-annual meeting and we are excited to be gathering again on June 10-12 in Nashville, Indiana. We begin on Wednesday afternoon and conclude on Friday at noon.

If you are interested in learning more about Bible translation - then this meeting is for you! For more information, please email info@goworldview.org.

Runyankore Printing Project

We are finished with all corrections and formatting and the file is ready for the printer! Final printing and shipping quotes will be obtained and the order will be placed soon. This will be WorldView's first completed whole Bible project and we are so excited!!

Madi Printing Project

We are still on target for printing the NT in mid 2026.

Liangmai Printing Project

The ethnic fighting of the last couple of years has flared up again. Our team called just yesterday with news of conflict only 5 miles from where the project is located in the city. The village areas (about an hour away) are like a powder keg and violent war could begin at any moment. Our associate could be forced to return and help defend his village. **Please pray for their safety!**

Tibetan Project

Lloyd is currently on a trip to the mountain villages which will greatly benefit his language and culture learning for the translation work. He is also facing some visa difficulties. Please pray that solutions will be found so he can remain in the country.

Persia Project

The current war keeps things pretty tense in the location of this project. Please pray for the safety of our associate family and that the hearts of those we seek to reach will turn to God in this time of uncertainty.

Training is underway with our new translators. We are glad for the progress being made.

Cameroon Project

This project is exciting. Work has begun and further training sessions with our staff are being scheduled. We expect to hold these sessions toward the end of this year. **The financial burden of this project has begun and monthly support is needed. Would you consider it?**

Nicaragua Project

On May 7th I will have the honor of preaching the graduation ceremony for FirstBible School of Translation in Milford, OH. Our newest associate, Caleb, will graduate and he and his family will begin deputation soon after. Please consider scheduling them for this fall.
